GENERAL INFORMATION FOR LAWN BOWLS CLUB PACKAGE POLICY

The information contained in this part is general information only and does not form part of your contract with us. The Policy terms and conditions in the rest of this booklet contain details of your contract.

Important information

This Policy and your current Policy Schedule are important. Please ensure you read them carefully and keep them in a safe place. The Policy, current Policy Schedule, definitions, defined events, conditions, exclusions, extensions and endorsements are to be read together as one (1) contract. Any word or expression to which a specific meaning has been given under the heading 'Words with special meaning' will bear that meaning wherever it may appear unless such meaning is not applicable to the context in which that word or expression appears.

This Policy makes provision for payment of Goods and Services Tax (GST) by you in relation to premiums and by us in relation to claims.

If you have any questions regarding the Policy, please contact your insurance broker.

Plans, documents, reports, contracts, receipts, manuals and serial numbers relating to your property should be kept. If a claim occurs the documents may be required by us and they will assist you completing your claim form.

Duty of disclosure – What you must tell us

Under the *Insurance Contracts Act 1984* (Cth) (the Act), you have a duty of disclosure. The Act requires that before a Policy is entered into, you must give us certain information we need to decide whether to insure you and anyone else to be insured under the Policy, and on what terms. Your duty of disclosure is different, depending on whether this is a new Policy or not.

New business

Where you are entering into this Policy for the first time (that is, it is new business and is not being renewed, varied, extended or reinstated) you must tell us everything you know and that a reasonable person in the circumstances could be expected to tell us, in answer to the specific questions we ask.

When answering our questions you must be honest.

- **Who needs to tell us**

It is important that you understand you are answering our questions in this way for yourself and anyone else whom you want to be covered by the Policy.

- **If you do not tell us**

If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel the Policy. If you answer our questions fraudulently, we may refuse to pay a claim and treat the Policy as never having worked.

Renewals, variations, extensions and reinstatements

Once your Policy is entered into and is no longer new business then your duty to us changes. You are required before you renew, vary, extend or reinstate your Policy, to tell us everything you know and that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to our decision whether to insure you, and anyone else to be insured under the Policy, and if so, on what terms.

- **You do not have to tell us about any matter**

- that diminishes the risk,
- that is of common knowledge,
- that we know or should know in the ordinary course of our business as an insurer, or
- which we indicate we do not want to know.

- **If you do not tell us**

If you do not comply with your duty of disclosure we may reduce or refuse to pay a claim or cancel your Policy. If your non-disclosure is fraudulent we may treat this Policy as never having worked.

POLICY TERMS AND CONDITIONS FOR LAWN BOWLS CLUB PACKAGE POLICY

Insurer

The Policy is underwritten by QBE Insurance (Australia) Limited, ABN 78 003 191 035, AFS Licence No. 239545 of 82 Pitt Street, Sydney NSW 2000.

Our agreement with you

We agree to provide you with the insurance cover set out in each of the Policy cover sections that you select and that are listed in the Policy Schedule.

You have paid or agree to pay us the premium set out in the current Policy Schedule.

The Policy is in force for the period of cover set out in the Policy Schedule. We will cover you for loss, damage and liability occurring during that period of cover, subject to the provisions of the Policy.

We will not pay any more than the sum insured or limit of liability for each cover section which is shown in the Policy or Policy Schedule.

We will not pay the excesses shown in the Policy or Policy Schedule. If any loss or damage leads to a claim under more than one (1) cover section of this Policy, you must pay the highest applicable excess, but you need to pay only one (1) excess.

Your Policy

Your Lawn Bowls Club Package Policy consists of the Policy Terms and Conditions in this booklet and the Policy Schedule we give you.

Please read your Policy carefully, and satisfy yourself that it provides the cover you require.

If you want more information about any part of your Policy, please ask us, or Fenton Green & Co.

The address and telephone number of your QBE branch are on your Policy Schedule.

You should keep your Policy wording and Policy Schedule together in a safe and convenient place for future reference.

Paying your premium

You must pay your annual premium by the due date. If we do not receive your premium by this date or your payment is dishonoured this Policy will not operate and there will be no cover.

How you can pay your premium

You can pay your premium:

- in one (1) annual payment by cash, cheque, credit card or EFTPOS; or
- in monthly instalments by direct debit from your credit card or from your account with your financial institution.

Words with special meaning

Paying your instalment premium

If you are paying your premium for the first time by instalments we will deduct instalments each month on the day of the month that you nominate as your payment date.

If you are renewing your Policy and you paid your previous Policy by instalments, we will continue to deduct instalments for your renewed Policy on the day of the month you previously nominated as your payment date, unless you tell us otherwise.

If you have nominated the 29th, 30th or 31st of the month as your payment date, we will deduct your instalment payment on the next day if those dates don't occur in a month.

Details of your instalments are shown on your Policy Schedule.

If your first instalment of premium when you take out your Policy or renew it is dishonoured, this Policy will not operate and there will be no cover.

We will not pay a claim under this Policy if, at the time the claim occurred, any instalment of premium has remained unpaid for fourteen (14) days or more.

If any instalment of premium has remained unpaid for one (1) month, we may cancel this Policy. We will send you a notice giving you details of the action we intend to take and when any cancellation will become effective.

We are entitled to deduct from any amount we pay under a claim any unpaid premium or instalment of premium.

If you are paying your premium in instalments by direct debit from your credit card or financial institution account, you must tell us if those details change. You must do this no later than seven (7) days before your next instalment is due.

The premium

We will refund to you the proportion of the premium for the remaining period of insurance, unless you have chosen to pay by instalments, in which case no refund will be provided.

Preventing our right of recovery

If you have agreed not to seek compensation from another person who is liable to compensate you for any loss, damage or liability which is covered by this Policy, we will not cover you under this Policy for that loss, damage or liability.

1. Business property cover

General conditions

The following general conditions apply to all sections of this Policy.

Breach of a condition or warranty without your knowledge or consent or error in name, description or situation of property will not prejudice your rights under this Policy provided notice in writing is given to us when such breach or error comes to your knowledge. Reasonable extra premium will be paid if required, from the date of such breach or error.

Accountancy records

You must provide to us all books of account, business books and other documents as may be required to investigate or verify claims. If you do not, we may refuse to pay or may reduce the amount of a claim.

Cancelling your Policy

How you may cancel this Policy

- You may cancel this Policy at any time by telling us in writing that you want to cancel it. You can do this by giving the notice to Fenton Green & Co.

- Where 'you' involves more than one person, we will only cancel the Policy when a written agreement to cancel the Policy is received from all persons named as the insured.

How we may cancel this Policy

- We may cancel this Policy in any of the circumstances permitted by law by informing you in writing.
- We will give you this notice in person or send it to your address last known to us.

The premium

We will refund to you the proportion of the premium for the remaining period of cover.

Premium funders

If the premium has been funded by a premium funding company which holds a legal right over the Policy by virtue of a notice of assignment and irrevocable power of attorney, a refund will be made to the premium funding company of the proportionate part of the premium applicable to the unexpired period of cover.

Excess

If more than one excess can be applied to one occurrence, then you will only need to pay the highest excess. Sums insured, limits and sub-limits of liability will apply in addition to, and will not be reduced by, the amount of any applicable excess.

How Goods and Services Tax (GST) affects any payments we make

The amount of premium payable by you for this Policy includes an amount on account of the GST on the premium.

When we pay a claim, your GST status will determine the amount we pay.

When you are:

- not registered for GST, the amount we pay is the sum insured/limit of indemnity or the other limits of insurance cover including GST;
- registered for GST, we will pay the sum insured/limit of indemnity or the other limits of insurance and where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the Policy) we will pay for the GST amount.

We will reduce the GST amount we pay for by the amount of any Input Tax Credits (ITC) to which you are or would be entitled if you made a relevant acquisition. In these circumstances, the ITC may be claimable through your Business Activity Statement (BAS).

You must advise us of your correct Australian Business Number (ABN) and Taxable Percentage.

Any GST liability arising from your incorrect advice is payable by you.

Where the settlement of your claim is less than the sum insured/limit of indemnity or the other limits of insurance cover, we will only pay an amount for GST (less your entitlement for ITC) applicable to the settlement. This means that if these amounts are not sufficient to cover your loss, we will only pay the GST relating to our settlement of the claim.

We will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by any business of yours which is relevant to your claim.

GST, ITC, BAS and Acquisition have the same meaning as given to those expressions in *A New Tax System (Goods and Services Tax) Act 1999* (Cth) and related legislation as amended from time to time.

Taxable Percentage is your entitlement to an ITC on your premium as a percentage of the total GST on that premium.

Our maximum liability

Except as otherwise stated elsewhere in this Policy, the maximum amount we will pay will not exceed the amount stated in the Policy Schedule as the sum insured or the limit of liability for those sections selected.

The sum insured and sub-limits of liability will apply in addition to, and will not be reduced by, the amount of any applicable excess.

Inspections

We (or agents appointed by us) have the right to inspect and examine, by mutual appointment, any business property insured.

Jurisdiction

All disputes arising out of or under this Policy will be subject to determination by any court of competent jurisdiction within Australia according to the law which applies to that jurisdiction.

Designation of property

For the purpose of determining under which item any property is insured, we agree to accept the designation under which such property appears in your books of account.

Provided always that this general Policy condition will not apply to the theft cover section with respect to tobacco, products containing tobacco, cigars, cigarettes and alcohol.

Furthermore, under the theft cover section, stock does not include tobacco, products containing tobacco, cigars, cigarettes or alcohol unless they are specified on the current Policy Schedule.

Other persons or organisations

If any person or entity will has any interest in the business property, we will protect that interest in the event of a claim, provided that interest is disclosed in your business records and you have disclosed the nature and extent of that interest to us at the time of notification of the claim.

Where the separate interests of more than one party in the business property are insured under this Policy, any act or neglect of one party will not prejudice the rights of the remaining party or parties provided that the remaining party/ies, within a reasonable time after becoming aware of any act or neglect whereby the risk of loss, damage or destruction has increased, give notice in writing to us and on demand pay such reasonable additional premium as we may require.

You cannot transfer the Policy into someone else's name without our written consent.

All persons entitled to claim under the Policy are bound by the terms and conditions of the Policy.

When a claim is paid under the Policy and is also recoverable under another policy or policies, you agree to permit us to seek contribution from the other insurer or insurers.

Progress payments

We will not unreasonably withhold progress payments. We will make progress payments on claims at intervals to be agreed by us following receipt of an interim report from our loss adjuster or representative.

Sale of salvage

We will not sell or dispose of any salvage without giving you the opportunity to buy it at its salvage value, provided that this condition does not allow you to abandon the property to us.

Reasonable care

You must take reasonable precautions to prevent personal injury or property damage as if you were not covered by this Policy such as:

1. if you discover your products may be defective and the defect may cause a claim under the 'Public and products liability' cover section, at your expense you must take reasonable steps to restrict, trace, recall, modify, replace or repair the products,
2. maintain and look after other person's or organisation's property and buildings used or occupied by you, in accordance with your agreement with them,
3. if your occupation includes digging below ground at sites away from your business premises you must obtain the location of underground services from the owners of the services,
4. use and store all hazardous materials as required by law.

If you do not take reasonable precautions we may refuse to pay part or all of your claim.

Reinstatement of sum insured

In the event of damage insured under one (1) or more of the business property, business interruption, theft, money and glass cover sections of this Policy, the amount by which the sum insured or limit of indemnity is reduced as a consequence of the loss or damage will be automatically reinstated as from the date of loss or damage provided that:

- (a) there is no written request from you or written notice by us to the contrary,
- (b) the section is an operative section of the Policy, and
- (c) You pay the premium which we require for the reinstatement.

We will not reinstate the sum insured on the business property cover or business interruption cover sections if we have paid a total loss under either of these sections.

Single occurrence

We will not pay for loss or damage to property covered by the Policy under more than one (1) section of the Policy in respect of the same item and occurrence unless a relevant sum insured has been paid out in full and you have not been fully covered for the loss or damage.

Waiver of subrogation rights

We may not be liable to pay any benefits under this Policy for loss, damage or liability if you agree or have agreed to limit or exclude any right of recovery against any third party who would be liable to compensate you with respect to that loss, damage or liability however:

- (a) We will waive any rights and remedies or relief which we are or may become entitled by subrogation against:
 - (i) any co-insured (including directors, officers and employees);
 - (ii) any corporation or entity (including directors, officers and employees) owned or controlled by any insured or against any co-owner of the property insured.
- (b) You may without prejudicing your position under this Policy:

Claim preparation expenses

We will pay for costs necessarily and reasonably incurred for the preparation of a claim for which we agree to indemnify you under this Policy. The most we will pay is \$25,000 in total for any one (1) claim, unless a higher amount is included in the particular section of the Policy.

Provided that before you incur these claim preparation costs you obtain our written approval to incur these costs.

This benefit is in addition to any limit of indemnity.

Bankruptcy or insolvency

In the event that you become bankrupt or insolvent, we will not be relieved thereby of the payment of any claims because of such bankruptcy or insolvency.

In case of execution against you of any final judgment covered by this Policy being returned 'unsatisfied' by reason of such bankruptcy or insolvency, then an action may be maintained by the injured party or their representative against us in the same manner, and to the same extent as you but not in excess of the limit of liability.

Non-imputation

Where this Policy is arranged in the joint names of more than one (1) insured, as described in the definitions of you, it is hereby declared and agreed that:

However:

- (a) the terms of the reward must be agreed by us before it is offered, and

Types of cover

The scope of cover provided is explained in the clauses 'Defined events cover' and 'Accidental damage cover'.

Your Policy Schedule will indicate which cover you have chosen.

How we will pay your claim

There are two (2) methods of paying your claims. They are 'reinstatement or replacement value' and 'indemnity value'.

The claim payment method you are covered for is shown on the current Policy Schedule.

Method of settlement – reinstatement or replacement value

We will pay the cost of rebuilding, replacing or repairing any damaged part of your business property to the same condition as when they were new or, where appropriate, in accordance with the 'Output replacement' clause set out below.

Business property may be rebuilt or erected at another location and in a manner suitable to you provided you pay any additional costs to build or erect elsewhere.

If the business property is lost or damaged you must commence to rebuild, replace or repair within a reasonable time of the loss or damage, after our consent has been obtained. If you do not, we will pay no more than the cost that would have been incurred if the work of rebuilding, replacement or reinstatement has been commenced and carried out with reasonable dispatch.

Extra cost of reinstatement

(Applicable to buildings, machinery and plant).

Where 'reinstatement or replacement' basis of settlement is shown in the Policy Schedule, this section extends to include the extra cost of reinstatement (including demolition or dismantling) of damaged property insured necessarily incurred to comply with the requirements of any Act of Parliament or regulation made under an Act or by-law or the regulation of any municipal or statutory authority, subject to the following provisions and subject also to the terms, conditions and sums insured of this section.

Provided that:

- (a) the work of reinstatement, must be commenced and carried out within a reasonable period, failing which we will not pay more than the amount which would have been payable under the Policy if the work of reinstatement had been commenced and carried out with reasonable dispatch,
- (b) the work of reinstatement may be carried out wholly or partially upon any other site, if the requirements of the

Act, regulation or by-law necessitate it, subject to our liability not being increased.

- (c) Our total liability under this clause 'Extra cost of reinstatement' will be limited to:
 - (i) the sub limit of liability shown in the current Policy Schedule for 'Extra cost of reinstatement' which will be in addition to the sum insured; or
 - (ii) if no such sub-limit of liability is stated, and the damage is less than 50% of the replacement cost of the buildings or contents, our liability will be limited to the extra cost necessarily incurred in reinstating the damaged business property only;
- (d) the amount recoverable will not include the additional costs incurred with complying with any such Act, regulation or by-law or requirement with which you have been required to comply prior to the happening of the damage.

The underinsurance condition of the business property cover section of the Policy will not be applied to the amount payable under this clause.

Method of settlement – indemnity

If the basis of settlement is shown in the Policy Schedule as indemnity, we will pay the cost to repair or replace the insured property less an equitable amount for age, wear, tear, depreciation and will make an adjustment for the general condition and remaining useful life of the individual item or components that are damaged.

We will also pay, in accordance with the 'Extra cost of reinstatement' clause, the additional costs required to comply with the requirements of any statutory authority or by-laws, provided you were not required to comply with any of the by laws prior to the loss or damage occurring.

The underinsurance/average condition in this section is amended to read:

In the event of loss or damage to property we will be liable for no greater proportion of the loss or damage than the sum insured at the location bears to 80% of the current value of the property insured, provided that our liability will not exceed the sum insured stated against each item in the Policy Schedule.

Output replacement

Where any business property consists of equipment, machinery or plant having a measurable function, capability or output and if it is necessary to replace such property with a new item or items which perform a similar function or functions, then the basis of settlement for such property will be:

- (a) where any business property is to be replaced with any item or items which have the same or a lesser total function, capability or output, then the basis of settlement is the new installed cost of such replacement item or items as would give the same total function, capability or output as the business property,
- (b) where any business property is to be replaced with an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is no greater than the replacement value of that business property, then the basis of settlement is the new installed cost of the item or items so replaced,

- (c) where any business property is to be replaced by an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is greater than the replacement value of the business property, then the basis of settlement is the lesser of the reinstatement value or that proportion of the new installed cost of the replacement item or items which the output of the business property damaged bears to the output of the replacement item or items. If the reinstatement value of the damaged business property is not ascertainable then the basis of settlement is the new installed cost of the replacement item or items.

Floor space ratio index (plot ratio)

Where buildings are damaged and the cost of reinstatement is more than 50% of the cost of reinstatement if the buildings had been totally destroyed and reinstatement of such damage is limited or restricted by:

- (a) any Act of Parliament or regulation thereunder, or
(b) any by-law or regulation of any municipal or other statutory authority,

resulting in either case in the reduction of the floor space ratio index (plot ratio) of the site, then we will pay in addition to the amount payable on reinstatement of such buildings the difference between:

- (i) the actual costs incurred in reinstatement subject to the reduced floor space ratio index (plot ratio), and
(ii) the estimated cost of reinstatement at the time of damage had the reduced floor space ratio index (plot ratio) not applied.

Provided that our total liability for reinstatement or replacement value, additional costs of compliance and under this 'Floor space ratio index (plot ratio)' clause must not exceed the sum insured in respect of the buildings which are the subject of the claim.

Branded goods

In the event of a claim, any salvage of branded goods or merchandise owned by you or held by you in trust or on commission and any goods sold but not delivered must not be disposed of by sale without your consent. If such salvage is not disposed of by sale, then the basis of settlement of the claim will be the market value of the goods after brands, labels or names have been removed by you or on your behalf.

If your sum insured for stock is included in another item on the current Policy Schedule we will only apply the increase to the portion of the sum insured which relates to stock.

Temporary protection and security guards

If business property has been lost or damaged and is covered by the business property cover section, we will pay for the cost of temporary protection, including employment of security guards, to safeguard the property insured:

Specific conditions applicable to this section

Tenants actions

If a tenant of yours or a tenant of your landlord (but not you) without your consent, causes or contributes to any loss or damage covered by this section which is in breach of any terms or conditions, we will cover you for your loss or damage as per this section, provided:

1. you have taken all reasonable actions, as soon as you become aware of conditions causing the breach, to have the tenant comply with the terms,
2. you notify us within a reasonable amount of time of becoming aware of the breach,
3. you agree to pay a reasonable increase in premium for the additional risk.

Underinsurance/average

For each occurrence under the 'Business property' cover section, we will not be liable for more than that proportion of damage which; in respect of buildings, contents, stock and specified items the sum insured on the total amount for buildings, contents, stock and specified items at the situation, at the time of the commencement of each period of cover bears to 80% of the full insurable value of such buildings, contents, stock and specified items.

Conditions:

1. Our liability is limited to the sum insured at the situation as shown in the Policy Schedule.
2. This clause will not apply if the amount of any damage does not exceed 10% of the sum insured at the situation.

Example;

Total value \$200,000

80% of value = \$160,000

Sum insured \$144,000

Therefore if a \$100,000 loss occurs, we would pay $(\$144,000 / \$160,000) \times \$100,000 = \$90,000$

We would pay \$90,000.

Any additional costs incurred to comply with the requirements

Business property cover/Business interruption cover

of any statutory authority, by-laws or regulations will be omitted from the calculation of our proportion.

The amount payable as indemnity under this item will be:

- (a) in respect of reduction in turnover:
 - the sum produced by applying the rate of gross profit to the shortage in turnover during the indemnity period, and

- (b) in respect of the increase in cost of working:

Provided that if the sum insured for this item at the commencement of each period of cover is less than the sum produced by applying the rate of gross profit to 80% of the annual turnover (or its proportionately increased multiple where the indemnity period exceeds twelve (12) months), the amount payable will be reduced so that we will be liable for no greater proportion of the loss under this item than that which the sum insured bears to 80% of the annual turnover (or its proportionately increased multiple, if appropriate).

Common clauses to parts A, B and C

The following clauses are applicable to parts A, B and C.

Departmental

If your business is conducted in departments or business units the independent trading results of which are ascertainable, the provisions of item 1 will apply separately to each department affected by the damage. For the purposes of this clause, the rent receivable from letting of property at the business premises will be regarded as the proceeds of one (1) such department.

Sum insured

Our liability to you will in no case exceed in respect of each item the sum insured expressed against that item in the current Policy Schedule. ‘Additional benefits’ are within the total sum insured of this section and not additional to the total sum insured.

Item 2. Additional increase in cost of working

The insurance under this item is limited to increase in cost of working (not otherwise recoverable hereunder) necessarily and reasonably incurred during the indemnity period in consequence of the damage for the purpose of avoiding or diminishing reduction in revenue or weekly revenue or turnover and/or resuming and/or maintaining normal business operations and/or services.

Item 3. Accounts receivable

Under this item we will pay you up to the amount shown in the current Policy Schedule for all sums due to you from debtors that you are unable to collect because of damage to records of accounts receivable. We will also pay collection expenses in excess of normal collection costs made necessary because of the damage as well as interest charges at the ruling rate of your bank on any loan to offset impaired collections pending repayment of such sums made uncollectible by such damage. If you cannot accurately establish the total amount of accounts receivable outstanding as at the date of the damage, the amount will be computed as follows:

- (a) determine the amount of all outstanding accounts receivable at the end of the same fiscal month in the year immediately preceding the year in which the damage occurs,
- (b) calculate the percentage of increase or decrease in the average monthly total of accounts receivable for the year immediately preceding the month in which the damage occurs, as compared with such average for the same months of the preceding year,
- (c) the amount determined under (a), increased or decreased by the percentage calculated under (b) above, will be the agreed total amount of accounts receivable as of the last day of the fiscal month in which said damage occurs,
- (d) the amount determined under (c) above will be increased or decreased in conformity with the normal fluctuation in the amount of accounts receivable during the fiscal month involved, consideration being given to the experience of your business since the last day of the last fiscal month for which statements have been rendered less:
 - (i) the amounts of such accounts evidenced by records not suffering damage or otherwise established or collected by you;
 - (ii) an amount to allow for probable bad debts that would normally have been uncollectible by you;

- (iii) all unearned interest and service charges; and
- (iv) settlement or term discounts normally allowed.

Item 4. Claim preparation and proving expenses

In addition to the amount payable under general condition 'Claim preparation expenses' of this Policy we will pay you up to the amount shown in the current Policy Schedule for the costs of such reasonable professional fees as may be payable by you and other such reasonable expenses necessarily incurred by you and not otherwise recoverable, for preparation and negotiation of claims under this section.

Accumulated stocks

In adjusting any loss, account will be taken and equitable allowance made if any reduction in turnover or loss of revenue or weekly revenue in consequence of the damage is postponed by reason of the turnover or revenue or weekly revenue (as the case may be) being temporarily maintained from accumulated stocks of finished goods.

Alternative trading

If during the indemnity period, goods are sold, work is performed or services are rendered elsewhere than at the business premises for the benefit of your business either by you or by others acting on your behalf, the money paid or payable in respect of such sales, work or services will be brought into account in arriving at the annual revenue, weekly revenue or turnover (as the case may be) during the indemnity period.

New business

In the event of damage occurring at the business premises before the completion of the first year's trading of your business, the defined terms 'Standard revenue', 'Annual revenue', 'Standard weekly revenue', 'Rate of gross profit', 'Standard turnover' and 'Annual turnover' will instead have the following meanings wherever they appear in this section:

'Standard revenue' means the revenue achieved between the date of commencement of your business and the date of the damage, converted to the selected indemnity period.

'Annual revenue' means the actual revenue achieved during your first year of operations, from the commencement of your business to the date of the damage, converted to a twelve (12) month equivalent figure.

'Standard weekly revenue' means the amount calculated by averaging the weekly revenues obtained during the period from the date of the commencement of your business to the date of the damage.

'Rate of gross profit' means the proportion that the gross profit bears to the turnover during the period between the date of commencement of your business and the date of the damage.

'Annual turnover' means the actual turnover achieved during your first year of operations, from the commencement of your business to the date of the damage, converted to a twelve (12) month equivalent figure.

'Standard turnover' means the turnover achieved between the date of commencement of your business and the date of the damage, converted to the selected indemnity period.

The above definitions may be used as necessary to calculate the trend of your business and for variations in or other circumstances affecting your business either before or after the damage or

which would have affected your business had the damage not occurred, so that the figures, thus adjusted, will represent as nearly as may be reasonably practicable, the result which but for the damage would have been obtained during the relative period after the damage.

We will deduct from the amount payable by us any sum saved during the period of the interruption in respect of charges and expenses of your business which may cease or be reduced as a result of the insured damage, including any such savings occurring by reason of the interruption of the normal operation of the electronic operation of the data processing system.

4. Upon notification of any loss or damage being given to us, you may carry out repairs or make good any minor damage, but in all other cases you must give us or our representative an opportunity to inspect the loss or damage before any repairs or alterations are effected. If no inspection is carried out by us or on our behalf within a period of time which is reasonable having regard to the location of the risk, weather conditions and/or other relevant factors, you may proceed with such repairs or replacement.

5. Nothing contained in this section or in any other condition of this Policy will relieve you of any obligation to take such steps as are necessary to ensure that the operation of the insured items is at all times carried out so as to minimise the risk of any claim being made under this insurance.
6. Insurance cover will cease for any insured item which has sustained damage and is operated unless it has been repaired properly and without delay.
